## **Community Connector**

We are looking for an energetic individual with people-focused skills to play a vital role in developing a social prescribing service for patients in South Ward in Weston-super-Mare.

You will connect people with non-medical, community based support to improve their health and tackle social isolation. The service will also act as a platform for building wider community resourcefulness and wellbeing working with the local Asset Based Community Development team.

We want someone who is excited by this work, full of imagination and determination. The post is part of a wider project, Creative Connecting, with a focus on creative arts approaches to supporting people whose daily lives are affected by long-term or other health conditions and loneliness, where support to be actively engaged in their community is seen as a positive step forward.

Salary £21,901- 37 hours a week (Part Time or Flexible Hours available within reason)

Two year contract with possibility of third year (funding dependent)
